Dear [Name]:

In the last school year, the YAC granted \$35,447 from the Youth Fund to address youth issues in Emmet County. On behalf of the Board of Trustees, staff, and your community, I would like to thank you for your service and commitment.

This year the YAC awarded grants to many wonderful programs, including instruments for the Pellston High School Band, support for Junior Master Gardeners, school supplies for kids in need, and playgroups for young children and their parents. Thanks to the dedication of our local non-profit agencies and our generous donors and volunteers, these programs will touch the lives of countless youth in your community.

Through regular attendance at our monthly meetings, preparation for and participation in the YAC Interview Days, and thoughtful input regarding youth issues, you have the power to positively impact your community. This big opportunity comes with big responsibility. We want you to know we appreciate your effort and commend you for your stewardship.

Have a great summer! I look forward to working with you in the fall.

Sincerely,

Sara Ward  
YAC Advisor
