As a member of the 2006-2007 AAACF Youth Council, I agree to the following.

- 1. I will come to all meetings and activities. If I can't attend I will call/email Jennie or one of the Leadership Team members to let them know.**
- 2. I understand that if I don't call/email for prior to a meeting, someone will contact me to talk about why I haven't been attending.**
- 3. I will participate and contribute to our meetings both through my ideas and my actions.**
- 4. I will check email often and respond to every YC email (even to just say "I got it").**
- 5. I will keep meeting discussions confidential, when appropriate, and will not take decisions personally.**
- 6. I will acknowledge when I have a conflict of interest and promise not to vote in those decisions.**
- 7. I will respect the ideas of others and work to create a positive energy in the group.**
- 8. I will voice my ideas and share my opinions with others, especially when my ideas provide an alternative perspective.**
- 9. I will remember that our role is to improve the community and will think about that when making grants.**
- 10. I realize that I have been given a powerful chance to change my community through grantmaking. I will do the best I can to ensure that I use that power to create positive change by taking my role on Youth Council seriously.**
- 10. I will have fun and enjoy my time on Youth Council!!!**
